**INTERVIEW SUMMARY**

**VIA ELECTRONIC FILING  
JANUARY 13, 2009**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450  
Sir:

An interview was conducted with the Examiner on January 12, 2009. During that interview, Applicant discussed filing a substitute Amendment in order to add limitations to bring the claims into clear conformance with applicable standards under 35 U.S.C. §101. Applicant discussed a scenario in which the substitute amendment should be considered in place of the previous response filed on January 7, 2009. Applicant agreed to pay a one-month extension of time in order to cover the submission of the substitute amendment.

The claims were discussed in detail. Amendments to the claims were also discussed. The Examiner indicated that the amended claims would overcome the prior art of record. Applicant expressed recognition that the Examiner would have to update her search. Applicant respectfully requested allowance of the claims. Applicant also asked the Examiner to consider allowance of one or more dependent claims if the independent claims were not found to be in allowable form.

The Director is authorized to charge any fee deficiency required by this paper or credit any overpayment to Deposit Account No. 23-1123.

Respectfully submitted,

WESTMAN, CHAMPLIN & KELLY, P.A.
